

CYBERTHON

CyberThon 2016 Student/Participant Application

Thank you for your interest in CyberThon! This event is open to high school students in the Gulf Coast Region of Alabama and Florida. Students are required to have a minimum intermediate level working knowledge of Computer Operating Systems and Network Systems. Pine Forest High School students in Escambia County Florida do not need to complete this application.

Name:

Phone:

Email:

Current School Attending:

1. Are you currently enrolled in an IT/Cyber career academy or study program? If so, please explain where and what you are studying:

2. Do you have a good understanding of computer operating systems and networks? Please explain:

3. Are you able to attend an after school CyberThon preparation session in January to help prepare for the event? (dates TBD)

Yes No

Prospective participants should email their request to participate in CyberThon to:
cyberthon@afceapensacola.org

Additional CyberThon information can be found at:
